## **Executive Session Protocol**

### **MCEDD Loan Administration Board**

After discussion agenda items are presented in open session by MCEDD staff, the LAB Chair will state the following: "Pursuant to ORS 192.660(f), Exempt Documents, I call the Executive session of the MCEDD Loan Administration Board to order".

LAB Chair asks all non-staff and non LAB members to leave the meeting. Staff will explain to visitors where they can wait and that they will be invited into Executive Session when their agenda item will be discussed.

For each discussion item on the agenda for Executive Session, the LAB Chair will follow the following procedural steps:

1. Invite the loan applicant (or their representative) into the Executive Session for the presentation of their loan request. LAB Chair requests a brief presentation from MCEDD staff on a summary of the loan proposal or other discussion item.
2. After presentation of information by staff, the LAB Chair asks if there are any questions for the loan applicant or MCEDD staff.
3. Following questions and discussion by the LAB, the loan applicant (and/or their representative) is asked to leave Executive Session with instruction that they will be invited into the Open session when Executive Session is adjourned.
4. LAB Chair asks LAB members if there is any discussion related to loan request that needs to take place before inviting the next loan applicant or other persons in to Executive Session for the next discussion item.
5. Additional discussion between the LAB members takes place then Steps 1-5 are repeated for each following discussion item for Executive Session.

At the end of discussion, the LAB chair will close the Executive Session. The LAB moves back to open session. At this point, the LAB Chair asks for a motion on the decision items in open session. Following a proper motion (motion and a second), the LAB chair requests discussion on the motion. Following any discussion, the LAB chair request a vote ("all those in favor, signify by saying aye" "all opposed signify by saying nay" "any abstentions?"). Staff may ask for a roll-call vote, if the responses are unclear
